School Day (9:00 – 3:30)					
Pre-School Session (9:00 – 11:30)					
Pre-School Session (1:00 – 3:30)					

Please Turn Over

I would like to register my child for;

Little Dragons (4-7years old) Big Dragons (7 – 11 years old)

My Child is currently in class: _____

Please note our afterschool club is extremely busy and there can be a delay in transitioning children from the Little Dragons side to Big Dragons, however we will aim to make this transition as soon as possible and as smooth as possible too. Please also note registering your child in Little Dragons does not guarantee a space at Big Dragons.

What you may need to know about Afterschool Club:

Little Dragons children are collected from outside of the small hall by a member of staff, please inform your child and their teacher that this will happen for the days arranged with us.

Big Dragons children are entrusted to make their way to the green room from which the Big Dragons Afterschool Club operates. Please inform your child's teacher they will be attending on the days arranged and please also speak to your child about going directly to the green room after school finishes.

What you may need to know about Holiday Club:

We endeavour to continually offer care to all children throughout the half term holiday club. However if we do not have enough interest from children who attend Big Dragons we may struggle to open a separate room to facilitate these children. Please speak to a member of staff for more information.

We regularly go on outings during holiday clubs and these will incur an additional cost. We try to plan fun appropriate activities and will always aim to keep the price as reasonable as possible. Some of these outings will also have a minimum session requirement i.e. A School Day

Changes to Sessions

We require a full weeks' notice in order to add or cancel any sessions your child is booked in to our afterschool club. Holiday club sessions cannot be altered after the specified date on the registration board.
