## Did you know?

Vitamin D helps regulate the amount of calcium and phosphate in the body. These nutrients are needed to keep bones, teeth and muscles healthy.

You can buy **Vitamin D** supplements at most pharmacies and supermarkets.

## Afterschool

A quick reminder if you do not require an Afterschool Session for your child that you please provide us with one week's notice.

For example if your child is due to attend afterschool on the Friday and the session is no longer needed, we would need to be advised by no later than on the Thursday the week before.
